

A close-up photograph of a car's air conditioning control knob. The knob is circular with a textured outer ring and a smooth inner cap. The inner cap has a small rectangular slot at the top and the letters "A/C" printed on it. The background is a deep blue color. Overlaid on the image is white text at the top left, large yellow text in the center, and smaller white text below it. At the bottom of the knob, the words "MAX A/C" and "USE" are partially visible.
